Experience you can trust, every day, every way

Jasol are specialists in delivering complete hygiene solutions with over 80 years experience working with Australasia's leading Hospitality, Healthcare, Textile Hygiene, Food & Beverage, Food Retail, Dairy, Industrial, Institutional/Government and Water Treatment companies.

Hygiene First is paramount for all our customer needs, we're continually backing their choices and providing them with innovative service solutions that enable

their staff and patrons to be safer, healthier and more productive in the work place.

Our Account Managers and Hygiene Service Representatives are committed to finding the best solution for your business that delivers improved performance, cost savings and real productivity gains.

So when you partner with Jasol you can rest assured you've got best in class products with a service you can trust.

## JASOL HEALTHCARE: EXPERIENCE YOU CAN TRUST, EVERY DAY, EVERY WAY

The healthcare sector has a paramount requirement to ensure hygiene standards are at continuous optimal level. The demand for providing a hygienic environment within hospitals, nursing homes and institutional care homes is growing rapidly.

As a leading provider of hygiene & cleaning services across Australasia we fully understand the need for Hygiene First. We will ensure the safety for all within your premises, and within every health industry site, because we understand that anything less could result in poor hygiene and place lives at risk. There is no room for compromise when it comes to safety.

With 80+ years of expertise gained in the healthcare industry, Jasol has developed a comprehensive Choice Range with a number of products that carry Therapeutic Goods Administration (TGA) certification. Combined with our equipment and servicing, Jasol Hygiene First ensures the highest level of safety for your staff, residents and guests at all times for every surface.

We understand your requirements, and an example of this is the introduction of our new superior, stylish and reliable dispenser range. The manual and hands-free dispenser system offers a no mess, no fuss solution ensuring full hygiene integrity, with our chemicals never coming into contact with air or germs. It's this kind of innovation we pride ourselves on.

Every day, in every way, we've got you covered.

Ensuring the safety of your colleagues and customers is behind everything we do.

The Choice is Jasol.

Jasol is one of four divisions from the George Weston Foods (GWF) family of brands, with GWF being a wholly owned subsidiary of Associated British Foods. Coupled with strong global backing, we are your nationally recognised, local expert for Cleaning & Hygiene solutions.

We bring you solutions that have stood the test of time, stemming from over 80 years of experience.
