## **QUALITY POLICY**

Jasol Australia Quality Policy aligns with the (GWF) Quality Philosophy, based on ensuring the best possible quality outcomes in all areas of the business, through our products, services and people. Jasol is committed to:

- Ensuring the safety and quality of its products meet or exceed the expectations of the customers in the Asia Pacific region who every day place their confidence in our products and
- Meeting or exceeding regulatory requirements in the markets in which our products are sold.
- Creating a quality culture, where all of our people are responsible for the safety and quality of the products manufactured and distributed.

To deliver this commitment, Jasol:

- Has established a Quality Management System that incorporate the principles of Quality Assurance and Continuous Improvement
- Will ensure our people are trained and have adequate resources to conduct their work effectively to meet our quality commitment
- Will identify quality improvement opportunities with customers and suppliers by engaging constructively and collaboratively with them
- Will ensure that our manufacturing and distribution premises are maintained in accordance with relative domestic and export legislation pertaining to Dangerous Goods, Environmental Safety and Quality
- Has established key performance indicators which are monitored and reviewed, to ensure safety and quality objectives are achieved

At Jasol, Quality is a key foundation of our continuing success

Statement from General Manager: I am fully committed to the implementation of this policy and the motivation of all Jasol employees to achieve its objectives

This signed statement of Policy confirms our commitment to making Jasol products of uncompromised quality and is to be displayed at all sites
