- Ready to use
- Quick & easy to handle
- No residue
- Safe on plastic and rubber

AREAS OF USE

- Retail food facilities
- Hospitals
- Nursing homes
- Hotels & motels
- Offices
- Public facilities

DESCRIPTION

ADHESIVE REMOVER is a spray on & wipe off treatment for the removal of adhesives, gum and grease marks from hard surfaces, carpet, vinyl and tiled flooring. It is a good alternative to kerosene and white spirit based products thanks to its pleasant odour characteristics.

Not to be used in a food production environment or direct food contact surfaces.

DIRECTIONS FOR USE

Spray or pour small amount of ADHESIVE REMOVER onto the affected area, leave to act. Wipe off with a clean cloth.

Consult your Jasol Representative for further information.

SAFETY INFORMATION

ADHESIVE REMOVER is classified as Hazardous according to the GHS.

ADHESIVE REMOVER is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

ADHESIVE REMOVER is a Scheduled Poison according to the SUSMP.

Avoid direct contact with food. May be fatal if swallowed and enters airways. Refer to SDS for further information.

FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia, Phone 13 11 26**. If swallowed do NOT induce vomiting. Transport to nearest medical facility for additional treatment. If inhaled, remove victim from exposure if safe to do so. If rapid recovery does not occur, transport to nearest medical facility for additional treatment.
