For further information regarding product safety and handling, refer to the Safety Data Sheet and product label.

DESCRIPTION

BATH & SHOWER is a liquid gel hand and body soap of neutral pH which has been formulated from a combination of mild surfactants and emollients. It provides gentle clean and supports healthy skin. It is ideal for use in shower and ablution areas as an all over hair and body wash which produces a rich creamy foam that whisks dirt and grime away.

DIRECTIONS FOR USE

Wet hands, dispense a small amount of BATH & SHOWER in the hands, gently work up a rich lather over hair and body, and rinse with water.

To prevent microbial contamination of the product, close containers immediately after use and do not add or insert any foreign materials or objects.

Consult your Jasol representative for further information.

SAFETY INFORMATION

BATH & SHOWER is NOT classified as Hazardous according to the GHS.
 BATH & SHOWER is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).
 BATH & SHOWER is NOT classified as a Scheduled Poison according to the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre Australia (Phone 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek medical attention if irritation persists.
