DESCRIPTION

BIG L is a liquid detergent with disinfecting and reodorising properties. It has excellent cleaning efficiency combined with a powerful biocide, which makes it ideal for cleaning soiled areas where odours caused by microorganisms are encountered. It leaves behind a long lasting, pleasant lemon fragrance.

DIRECTIONS FOR USE

Use on any surface, as a cleaner, disinfectant or reodorant and in hot or cold water. Ideal for areas such as toilets, washrooms, showers, hard floors, rubbish bins and benches. Recommended dilutions with water:

Reodorant Cleaner - Dilute 1:40 with water. Apply to surface and rinse with potable water after use.

Commercial Grade Disinfectant - Dilute 1:20 with water. Apply to surface and leave for up to 6 minutes. Rinse with potable water after use.

Note: Fresh solutions need to be prepared daily to ensure effectiveness.

SAFETY INFORMATION

BIG L is classified as Hazardous according to the GHS.

BIG L is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

BIG L is NOT a Scheduled Poison according to the SUSMP.

Avoid contact with eyes. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre Australia (Phone 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes.
