- Hotels & motels
- Schools
- Other public facilities

DESCRIPTION

Jasol's Environmental Choice EC16 is an environmentally responsible and highly effective cutlery and crockery soaking powder. Utilising a power surfactant formula, EC16 breaks down the toughest food soils and removes stubborn stains, such as from coffee and tea. When used as directed, it is safe for stainless steel surfaces as well as for plastics and china and also highly effective for laundry soaking purposes. EC16 is an environmentally responsible choice for your cleaning needs.

DIRECTIONS FOR USE

Use at a rate of 50g/5L of warm water. Once dissolved, add the articles to be cleaned and de-stained to the solution and leave until stains are removed. Rinse with clean water afterwards.

Please recycle packaging by replacing cap and returning clean containers to recycler or designated collection point.

Consult your Jasol representative for further information.

SAFETY INFORMATION

EC16 is classified as Hazardous according to the GHS.

EC16 is NOT classified as Dangerous Goods according to ADG Code (7th Ed).

EC16 is NOT classified as a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre Australia (Phone 13 11 26)** or a **doctor at once**. If inhaled, remove victim to fresh air. Keep at rest until recovered. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek immediate medical attention.
