FEATURES

- Non-abrasive
- Free rinsing properties
- Readily soluble in water
- Excellent oil and grease removal properties
- Water conditioning properties

AREAS OF USE

- Automotive repair workshops
- Marine maintenance sites
- Food service industry
- Airplane hangars

DESCRIPTION

EL ZC2 is a specially designed liquid heavy duty cleaning compound for the removal of heavily built up soils, grease and carbon deposits from concrete and tiled floors. EL ZC2 is an ideal product for cleaning machinery equipment and workshop floors that removes rubber tyre skid marks and oil stains.

DIRECTIONS FOR USE

Use at 12-24mL/L of water. Can be used through pressure spray cleaning equipment. Use higher concentration for removal of rubber skid marks from concrete surfaces. When used in meat processing establishments rinse product contacting surfaces with potable water.

Consult your Jasol representative for further information.

SAFETY INFORMATION

EL ZC2 is classified as Hazardous according to the GHS.

EL ZC2 is classified as Dangerous Goods according to the ADG Code (7th Ed).

EL ZC2 is classified as a scheduled poison according to the SUSMP.

Avoid contact with eyes and skin. Do not breathe vapour or mist.

FIRST AID INFORMATION

For advice in an emergency, contact a **Poisons Information Centre (Phone Australia 13 11 26) or a doctor at once**. If swallowed, do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If on skin, remove contaminated clothing and wash the affected area with running water. If in eyes, hold eyelids apart and flush continuously with running water. Seek immediate medical attention if irritation persists.
