- Mixing bowls & beaters
- Cutting boards
- Storage bins
- Floors
- Walls

DESCRIPTION

GLYGENT 20 is a green general purpose detergent suitable for all sink and pot washing applications. It combines power of solvent and power of surfactants to rapidly dissolve and emulsify fat, grease and oil leaving behind a pleasant fresh fragrance.

Most food residue instantly floats off upon contact with GLYGENT 20. It may also be used for floor, wall and other hard surface washing.

DIRECTIONS FOR USE

Floor & General Cleaning: Add 50mL to 10L of water in a mop bucket.

Washing Up: Add 5-10mL in the sink depending on the degree of soiling and fill with hot water.

Consult your Jasol Representative for further information.

SAFETY INFORMATION

GLYGENT 20 is NOT classified as Hazardous according to the GHS.

GLYGENT 20 is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).

GLYGENT 20 is NOT a Scheduled Poison according to the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre Australia (phone 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek medical attention if irritation persists.
