

HOOK & ROLLER ALKALI

Alkaline Detergent

FEATURES

- Highly concentrated
- Low foaming
- Provides stable alkalinity
- Wetting agents for better cleaning results
- Double action of caustic soda and caustic potash
- Complete cleaning & corrosion protection system when used with Jasol Hook & Roller Acid and Proguard

AREAS OF USE

- Meat hooks & gambrels
- Rollers & rails
- Slides & chains

DESCRIPTION

HOOK & ROLLER ALKALI is a formulated heavy duty alkaline cleaner which comprises caustic soda, caustic potash and sequestering agents to rapidly saponify and remove oil and grease accumulated on meat handling equipment, such as meat hooks, slides, gambrels and rollers.

HOOK & ROLLER ALKALI is designed for use on conjunction with Jasol HOOK & ROLLER ACID and PROGUARD for complete maintenance of steel components.

DIRECTIONS FOR USE

The use rates depend upon facility specific requirements and vary from 5 to 12% w/w alkalinity. Addition of 529mL to 1L of water yields 10% w/w alkalinity. Add the required volume of HOOK & ROLLER ALKALI to cold water and heat up to the working temperature. Allow hooks and rollers to soak for appropriate time to clean (10-30 minutes), and rinse with clean potable water after soaking.

Please, consult your Jasol representative to tailor the product to your operating equipment.

SAFETY INFORMATION

HOOK & ROLLER ALKALI is classified as Hazardous according to the GHS.

HOOK & ROLLER ALKALI is classified as Dangerous Goods according to the ADG Code (7th Ed).

HOOK & ROLLER ALKALI is classified as a Scheduled Poison according to the SUSMP.

Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact a **Poisons Information Centre (Phone Australia 13 11 26 or New Zealand 0800 764 766) or a doctor at once.** If swallowed, do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
