DESCRIPTION

KLENZALL PINE is an emulsified neutral solution of pine oil used for cleaning ablution blocks, toilets, baths, walls, floors, drains and other areas that require sanitation. Its QAC base provides positive bacteriostatic properties for efficient reodorisation. It is safe to use on all common surfaces. Excellent for use in toilets, bathrooms and wet areas where positive hygiene results are important. It is non toxic, and contains no phosphates.

DIRECTIONS FOR USE

Dilute 1:30 with water. Apply by cloth, mop or atomiser. Allow to act for a minimum of 10 minutes.

Consult your Jasol representative for further information.

SAFETY INFORMATION

KLENZALL PINE is classified as Hazardous according to the GHS.
KLENZALL PINE is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).
KLENZALL PINE is NOT a Scheduled Poison according to the SUSMP.
Avoid contact with eyes and skin. Refer to SDS for further details.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek medical attention if irritation occurs.
