

LC-50

Alkaline Cleaner

FEATURES

- Highly concentrated
- Rapid removal of proteins, fats, milkstone and oxalates
- HALAL approved

AREAS OF USE

- Dairy processing plants
- Food processing plants

DESCRIPTION

LC-50 is a heavy duty caustic soda based detergent used for CIP cleaning operations at dairy and food processing facilities.

DIRECTIONS FOR USE

Circulate a solution of 5-20 mL/L of hot water (75°C) for 20-30 minutes, depending on the degree of soiling. Rinse lines and other product contacting surfaces with potable water after use. LC-50 should be used in conjunction with an appropriate Jasol CIP acidic cleaner.

Consult your Jasol representative for further information.

SAFETY INFORMATION

LC-50 is classified as Hazardous according to the GHS.
 LC-50 is classified as Dangerous Goods according to the ADG Code (7th Ed).
 LC-50 is a Scheduled Poison according to the SUSMP.
 Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia, Phone 13 11 26**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
