For further information regarding product safety and handling, refer to the Safety Data Sheet and product label.

DESCRIPTION

SYNTHET OB is a super concentrated surfactant and solvent blend designed to provide a surfactant boost to existing laundry detergents. It efficiently eliminates cooking oil, food and other stubborn stains which are not readily removed with a general purpose detergent. SYNTHET OB is equally suitable for cotton and polyester blends and rinses freely leaving no residual fabric odour. Recommended to be used at >60°C for optimum performance results.

DIRECTIONS FOR USE

SYNTHET OB is to be used in combination with a built alkali detergent. The recommended use rate is 5mL/kg of soiled linen.

Consult your Jasol representative for further technical information.

SAFETY INFORMATION

SYNTHET OB is classified as Hazardous according to the GHS.
SYNTHET OB is classified as Dangerous Goods according to the ADG Code (7th Ed).
SYNTHET OB is NOT a Scheduled Poison according to the SUSMP.
Avoid contact with eyes. Avoid release to environment. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact a **Poisons Information Centre (Phone Australia 13 11 26 or New Zealand 0800 764 766) of a doctor at once.** If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek immediate medical attention. If on skin, remove contaminated clothing and wash affected area with running water.
