HOSPITALITY

FEATURES

- Economical
- Pleasant fragrance
- Safe to use
- Revolutionary slow release
- HALAL approved

AREAS OF USE

- Hospitals
- Nursing homes
- Restaurants
- Hotels & motels
- Schools
- Public facilities

DESCRIPTION

TITAN MOUNTAIN AIR-LINGER is an air freshener that provides lingering deodorising effect thanks to a revolutionary slow release agent. It works best when sprayed onto curtains or carpets and helps maintain the air in the room fresh for an extended time.

DIRECTIONS FOR USE

Depending on the contamination of the area a usual dilution would be 1:5 (200mL to 1 litre of water) or 150mL to a Jasol Spray Bottle. For best results spray onto porous surfaces such as curtains, carpet and unpainted brick. Leave the room as soon as possible after spraying to avoid the concentrated release of the air freshener.

Consult your Jasol representative for further information.

SAFETY INFORMATION

TITAN MOUNTAIN AIR-LINGER is classified as Hazardous according to the GHS.
TITAN MOUNTAIN AIR-LINGER is NOT classified as Dangerous Goods according to the ADG Code (7th Ed).
TITAN MOUNTAIN AIR-LINGER is NOT a Scheduled Poison according the SUSMP.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26) or a doctor at once.** If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek medical attention if irritation persists.
