### AREAS OF USE

- Restaurants
- Cafeterias
- Hospitals
- Nursing homes
- Hotels & motels
- Schools
- Other public facilities

### DESCRIPTION

CALZEC PLUS is an alkaline automatic dishwashing detergent suitable for use with Jasol electronic dispensing equipment. It combines good soil removal with low foaming and free rinsing characteristics. Special properties help prevent scale build up in hard water areas. For better rinsing results use Jasol's SPOT AID.

### DIRECTIONS FOR USE

Place a drum near machine and connect the input hose. Switch on machine and allow feeder to bring level of wash to correct detergent concentration.

**Dishwashing machines dosage:** Dilute at a rate of **0.06%v/v — 0.2%v/v** depending on the degree of soiling and water hardness.

For best results CALZEC PLUS should be used in conjunction with Jasol's SPOT AID.

Consult your Jasol representative for further information.

### SAFETY INFORMATION

CALZEC PLUS is classified as Hazardous according to the GHS.

CALZEC PLUS is classified as Dangerous Goods according to ADG Code (7<sup>th</sup> Ed).

CALZEC PLUS is a Scheduled Poison according to SUSMP.

Avoid contact with eyes and skin. Wear appropriate PPE. Refer to SDS for further information.

#### FIRST AID INFORMATION

If poisoning occurs contact a doctor or **Poisons Information Centre Australia (Phone 13 11 26) or a doctor at once**. If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek immediate medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, remove contaminated clothing and wash affected area with running water. Seek immediate medical attention.
