DESCRIPTION

KLENZALL LAUNDRY POWDER is a powdered blend of mild alkalis, soil suspension agents, water softeners and optical brighteners that make up a product suitable for multi-purpose washing in commercial laundries, hotels, motels, nursing homes and domestic washing machines. Its unique formula allows for rapid soil penetration, suspension and easy rinsing leaving clothes fresh and bright.

DIRECTIONS FOR USE

KLENZALL LAUNDRY POWDER may be used as a complete one shot laundry detergent or in conjunction with an appropriate bleach product.

Front & Top Loaders: Use at a rate of 20-30g/kg dry weight washing depending on the degree of soiling.

Consult your Jasol representative for further information.

SAFETY INFORMATION

KLENZALL LAUNDRY POWDER is classified as Hazardous according to the GHS. KLENZALL LAUNDRY POWDER is NOT classified as Dangerous Goods according to the ADG Code (7th Ed). KLENZALL LAUNDRY POWDER is NOT a Scheduled Poison according to the SUSMP. Avoid contact with eyes. Do not breathe dust. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact **Poisons Information Centre (Phone Australia 13 11 26)** or a **doctor at once**. If swallowed do NOT induce vomiting. Wash mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. Seek immediate medical attention. If on skin, remove contaminated clothing and wash affected area with running water. Seek medical attention if irritation persists.
